List of Don'ts

- Don’t sign your own reimbursement Internal Requisition (IR) form.
  - All reimbursement forms must be signed by two other authorized signatories.

- Don’t spend unapproved funds.
  - You must spend according to your budget.

- Don’t spend funds until they are in your SGAO account.

- Don’t pay taxes for goods.
  - UNM is a tax-exempt organization. A tax-exempt certificate is at the back of your booklet. Take this with you when making purchases. SGAO cannot reimburse taxes paid on goods.
    - Tax can be paid for prepared foods, e.g., restaurant meals. All services are taxed.

- Don’t drop by the SGAO unannounced to schedule travel arrangements.
  - As a professional courtesy, PLEASE schedule an appointment to ensure your accountant is available to assist with your travel arrangements.

- Don’t place orders directly with UNM SUB Catering.
  - SGAO must verify available funding.

- Don’t pay for Professional Services (DJs, photographers, etc.) with your own funds.
  - SGAO must make these purchases for you.

- Don’t purchase gift cards.
  - SGAO is required by UNM to make these purchases for you. We cannot purchase e-cards, however.

- Don’t confuse Honorarium with Professional Services.
  - An Honorarium is a nominal payment as a courtesy for a University visit.
  - Professional services are identified as services provided for a standard fee.

- Don’t offer gift cards in lieu of an Honorarium payment.
  - The University must report honorarium payments to the payee and the Internal Revenue Service (IRS) on Form 1099.
  - Payments to foreign persons are subject to 30% U.S. Federal tax withholding.
Getting Started

Get Chartered

- Only chartered student organizations at the University of New Mexico may receive funding from ASUNM and GPSA.
- To become a chartered organization, visit the Student Activities Center in SUB 1018 or call 277-4706.

Attend a SGAO Workshop

- All student organizations receiving ASUNM and / or GPSA funding, must have two (2) representatives attend a mandatory SGAO Spending Workshop.
  - There are a number of workshops offered between July and September at various times. The two required representatives do not need to attend the same workshop; however, accessing your funds cannot occur until two representatives have attended.

- Graduate student organizations that receive PB Funds (pro-rated benefits) have workshops designed specifically for them. These workshops are also mandatory to access funds.

Workshop schedules will be posted at the SGAO website: [http://sgao.unm.edu/workshops.html](http://sgao.unm.edu/workshops.html)

Submit a Signature Authorization Form

Authorized signers are typically officers in the organization and have the responsibility of monitoring their organization’s account. To initiate any transaction for a student organization account, two (2) authorized signers must sign the Internal Requisition (IR) form.

- A minimum of three (3) signers is required on accounts because individuals may not authorize their own reimbursement. (Advisors may be on the organization’s account but are not required).

- The forms expire each year on June 30th. All signers must be renewed every July 1st to remain active on the account.

Signature Authorization Forms are available at the Student Government Accounting Office (SUB 1018) as well as online at [http://sgao.unm.edu/forms-handouts/signature-authorization-form.pdf](http://sgao.unm.edu/forms-handouts/signature-authorization-form.pdf)
Important Reminders!

Per the Chartered Student Organization (CSO) Policy:

Organizations receiving funding from the University must follow the fiscal policies and procedures of the University. In addition, organizations receiving ASUNM and/or GPSA funding must follow the fiscal guidelines developed by the Student Government Accounting Office.

Per UNM Policy 7200, 1.4:

Chartered Student Organizations that receive funding from the University must deposit all funds that they collect in an internal University account, through the Student Government Accounting Office.

If your organization has an off-campus bank account and wishes to continue to receive funding from the university (ASUNM or GPSA), you will need to close the account immediately and provide proof of the closure and deposit any funds with the SGAO.

- Political contributions to individuals or organizations
- Payments to UNM employees outside of Payroll
- Awards/Gifts to UNM employees

- Gift Card purchases MUST BE made directly by an SGAO accountant. We CANNOT reimburse these types of purchases.
- Gift Cards CANNOT be given to University employees or individuals NOT associated with UNM, e.g., guest speakers in lieu of Honorarium payment.
- There must be a specific business purpose associated with these purchases.
- E-gift cards are NOT an option.

Honorarium

- Payable to an individual of special achievement or renown.
- Payment does not constitute compensation.
- A social security number of the individual you are paying is required.
- Cannot be paid to UNM employees or students.

On-Campus Purchases

Processing Time: 1 - 2 Days

UNM Bookstore

- Fill out and submit the IR form to SGAO (see next page).
- After submitted, we will type up a Bookstore Requisition that you must pick-up and take to the Bookstore in order to make your purchases. We will call the organization’s contact person when it is ready to be picked up.
- Once you’ve made your purchase, visit the requisition desk at the back left corner of the store to authorize charges to your account via the Requisition.
- Return the receipt of purchased items to SGAO as quickly as possible.

Other On-Campus Vendors (e.g., UNM Copy Center, Daily Lobo, Physical Plant, IT)

- Fill out and submit the IR form to the SGAO (see next page).
- After submitted, we will send necessary paperwork to these vendors.
- Payment will be made directly to the vendor, but if you receive a bill/invoice, be sure to get it to the SGAO as quickly as possible.
- If plans change that will alter the amount or date of use, please let us know so money will not be reserved from your account for that purpose. Particularly, if an event is canceled, let us know at the earliest convenience.

Please Note:

- If your organization plans on using an on-campus vendor more than once throughout the year (Daily Lobo or UNM Copy Center), you may request that SGAO set up a Master Requisition. This will allow purchases to be charged directly to your account with a Not To Exceed (NTE) amount without your having to come into the SGAO each time you want to make a purchase. However, this will result in your NTE amount being held from all other spending.

Self-Generated Funds

Any funds that are deposited into your UNM account become subject to all UNM policies. Regarding deposits, organizations need to carefully consider what the potential uses of self-generated funds might be.

Regular Deposits

SGAO accepts cash and checks made payable to your organization for things such as:
- Membership dues
- Bake sales
- Apparel sales
- Raffles

Important: Any monies received by your organization should be deposited with SGAO by the next working day. It is the responsibility of the students collecting monies to ensure the funds are kept in a secure location until a deposit can be made.

Donations

We do not accept Donations or Sponsorships for your group. These types of deposits should be made using your SGAO account number at the:

UNM Foundation
700 Lomas NE, Suite 108
316-7600

To access funds for spending, bring a copy of your deposit receipt to the SGAO.

Per UNM policy 1040 sec. 8.2:

CSOs may use their self-generated fundraising proceeds to hold fundraisers for domestic 501(c)3 nonprofit organizations in order to:

- support the CSOs’ missions;
- provide support to their parent organizations or local chapters; or
- assist the sick or indigent.

All costs related to the use of University resources (such as costs associated with renting space for the event and personnel who set up the event) must be deducted from the gross proceeds, so that there is no donation of University resources. Once the costs related to the use of University resources are deducted from the gross proceeds, the net proceeds of these fundraisers may be donated to the domestic external nonprofits. In order to document the contribution, CSOs should submit to the Student Government Accounting Office a letter or email from the nonprofit organization acknowledging the contribution.

**Detailed Purpose for Change:** (Attach additional sheets, if necessary)

Our organization no longer needs to utilize our budget for facility rentals due to changes in our recruitment efforts. We would like to reallocate our budget so we may purchase supplies for our office and increase our food budgets due to an increase in membership. We would like to increase our educational budget to purchase reference books for our club.
