At the workshop, you will be given helpful handouts along with information to help make the most of your ASUNM or GPSA funds. This workshop should also be attended by organizations who only have self-generated funds.

Organizations will not be allowed to spend any money until two (2) representatives of each organization have attended a workshop. These representatives do not have to attend the same workshop.

(*) Denotes SGAO Spending Workshops that run back-to-back with SAC Chartering Workshops so you can complete both requirements in one quick period.

Please note that if you arrive more than 15 minutes late, you will be asked to attend a different session.
